Biogas chillers price list 2026

GC series 35-5 · 50 Hz

Complete skid-mounted biogas drying systems. Prices per unit in EUR, excluding VAT, EXW.

Model	Gas flow m³/h	Gas inlet °C	Gas outlet °C	Frequency Hz	Price EUR
GC-50-35-5	50	35	5	50	15 500
GC-100-35-5	100	35	5	50	19 500
GC-150-35-5	150	35	5	50	20 500
GC-200-35-5	200	35	5	50	21 600
GC-300-35-5	300	35	5	50	23 600
GC-400-35-5	400	35	5	50	25 700
GC-500-35-5	500	35	5	50	27 600
GC-600-35-5	600	35	5	50	33 100
GC-700-35-5	700	35	5	50	38 600
GC-800-35-5	800	35	5	50	44 200
GC-1000-35-5	1 000	35	5	50	54 600
GC-1200-35-5	1 200	35	5	50	64 400
GC-1500-35-5	1 500	35	5	50	78 000
GC-2000-35-5	2 000	35	5	50	98 900
GC-2500-35-5	2 500	35	5	50	117 300
GC-3000-35-5	3 000	35	5	50	133 400
GC-4000-35-5	4 000	35	5	50	159 000
GC-5000-35-5	5 000	35	5	50	176 700

Nominal gas flow and temperatures are stated for selection. Refrigeration duty, electrical input, voltage, operating pressure and dimensions are confirmed for the actual gas and site conditions. Installation outside hazardous areas; other execution on request.

Gas reheating is available separately and is not included in the listed prices.

Biogas chillers price list 2026

GC series 35-10 · 50 Hz

Complete skid-mounted biogas drying systems. Prices per unit in EUR, excluding VAT, EXW.

Model	Gas flow m³/h	Gas inlet °C	Gas outlet °C	Frequency Hz	Price EUR
GC-50-35-10	50	35	10	50	12 900
GC-100-35-10	100	35	10	50	16 200
GC-150-35-10	150	35	10	50	17 100
GC-200-35-10	200	35	10	50	17 900
GC-300-35-10	300	35	10	50	19 600
GC-400-35-10	400	35	10	50	21 300
GC-500-35-10	500	35	10	50	23 000
GC-600-35-10	600	35	10	50	27 600
GC-700-35-10	700	35	10	50	32 200
GC-800-35-10	800	35	10	50	36 800
GC-1000-35-10	1 000	35	10	50	38 900
GC-1200-35-10	1 200	35	10	50	48 800
GC-1500-35-10	1 500	35	10	50	63 100
GC-2000-35-10	2 000	35	10	50	77 100
GC-2500-35-10	2 500	35	10	50	98 400
GC-3000-35-10	3 000	35	10	50	111 700
GC-4000-35-10	4 000	35	10	50	133 000
GC-5000-35-10	5 000	35	10	50	147 800

Standard scope

- Air-cooled liquid chiller.
- Common base frame with connecting pipework.
- Gas heat exchanger with gas-wetted parts in stainless steel 316L or 316Ti.
- Cooling circuit with circulation pump and buffer tank.
- Condensate separator with demister and condensate drain.
- Insulation of the gas cooler and cold pipework.

Option: Gas reheating is available separately and is not included in the listed prices.

Prices, including approximated intermediate sizes. Packing, freight, installation and commissioning are quoted separately. Final selection and supply terms are specified in the project proposal.
